# LUTHERAN OUTDOOR MINISTRIES OF FLORIDA Beach Camp

Utilizing the unique Florida beach environment, LOMF **Beach Camp** provides a week of programming and special activities for middle school (ages 12-14) youth. Components of the week include:

- ☺ In-depth discussion and worship encompassing a central theme based on the ELCA Outdoor Ministry curriculum - "Listen! God is Calling"
- ☺ An opportunity for pastors to work with their own youth on their confirmation material.
- ☺ Take a trip and learn about the pelican tours and other local marine life.
- ☺ A variety of fun and excursion activities, which *may* include mini-golf, a baseball game, bowling and beach programs.

Our week begins with registration on Sunday afternoon and orientation for campers, sponsors and pastors. Each evening and morning there will be devotions and singing. We will use the beach daily for activities including swimming and sunrise/sunset devotions.

During the week, campers will be divided into male and female groups for sleeping, and will be together for activities, Bible reflection, etc. Time will be allocated for pastors and sponsors to have breakout meeting time with their groups if requested. LOMF and the registered pastors or youth leaders provide transportation for activities.

**Cost: \$375**
