History of our Ministry

In 1989, the Florida-Bahamas Synod organized LOMF as a non-profit corporation. Months later, a 350-acre piece of land was purchased in north central Florida named “Luther Springs”. Our camp, conference, and retreat center offers cabins, motel type rooms, RV & tent camping, outdoor chapel, pavilion, archery, canoeing, and a swimming pool complex.

The land has been an inspiration to us; helping us to achieve our mission and giving us a place *set apart* to share the “**Good News**” of Jesus Christ! An outdoor setting is often the place where people discover and renew their faith.

The Reverend Robert W. Kuehner was called as the first Executive Director in 1991 and Babs Armagost became the first Administrative Assistant that same year.

We’ve experienced growth every year and now minister to over 2,600 youth and adults. We traverse the state of Florida with our varied programs including: day camps, beach camps, servant weeks, Luther Hostels, sailing camp and numerous other programs.

Yes, I want to make a difference!
